Dear Colleague

VICE PRESIDENTS ANNUAL GALA – SUNDAY 14th OCTOBER 2018 BROUGHTON POOL - 2.00pm FOR 2.15pm START

Once again, we are staging our very exciting annual fund-raising gala, which is primarily aimed at your novice swimmers and you are cordially invited to enter your club.

This team relay event has proved most successful over the years and following receipt of views expressed by our clubs we are continuing with the same format as last year with all events being mixed. Ages are on the day of competition.

All teams should arrive by 2pm. Each event will be swum in heats, depending upon the number of entries, and then following a short break the top six teams will swim in the final.

This eliminates the necessity of clubs having to wait between the groups and then the final.

Should your swimmers complete an event faster than the time allotted on the programme of events they will not receive any points. Speeding tickets are now not presented.

The Vice Presidents have decided that entry to the competition this year will be free of charge.

I enclose a copy of the programme for your use and information, together with General Competition Rules and would ask that you reply on or before the 22nd September 2018, using the enclosed entry form.

Please support your Association by competing in this exciting event; I know your swimmers will enjoy it.

Yours sincerely,

Caroline Horton
